Safeguarding Children in Education Training

Schools and Education Winter 2017 Training Programme

January 2017 – March 2017
Introduction

The safety and well-being of every child is an integral part of his or her learning and social integration in a school. Teachers and support staff are particularly well placed to observe and assess the development and behaviour of children they come into contact with on a daily basis.

Every member of staff is expected to play a part in the identification and prevention of abuse and neglect with sufficient knowledge, skills and awareness of safeguarding and child protection.

This training programme is available to any individual who works within a school or education setting in Nottingham City.

The Safeguarding Training Pathway is a toolkit which professionals should use to ascertain the most appropriate training required by staff to enable them to undertake their duties and take an effective and efficient role in safeguarding and promoting the welfare of children. Delegates and managers should also refer to the training pathway to check training renewal recommendations.

Please note that all courses are charged. Charges will apply to all volunteers, staff and schools and apply to all types of maintained and non-maintained education establishments, i.e schools, academies, independent, private, alternative or further education providers. For full details of charges, please see individual course information.

In addition to the training included in this programme the NCSCB provide separate safeguarding training that focuses on multi-agency interventions and is based upon encouraging and developing effective working relationships and sustaining inter-agency working; details can be found at [www.nottinghamcity.gov.uk/ncscb](http://www.nottinghamcity.gov.uk/ncscb)

Course Practicalities

**LUNCH IS NOT PROVIDED** at any of the training events. Refreshments are available throughout Loxley House and can be purchased for as little as 20p. A Cafeteria, located on the ground floor of Loxley House provides hot and cold food.

An **cancellation charge of 50% of the course fee** will be made in the event of a place being booked and not taken up, unless we are notified of the cancellation at least 5 working days before the start of the course.

Delegates who fail to attend on the day, will be charged the FULL course fee.

Please read this document in conjunction with the Training Pathway.
Whole School Training (INSET days)

Whole school training brings a variety of skills and experiences together which reinforces the key message that safeguarding is everybody’s business. An additional benefit of whole school training is that it provides an arena for team building and enables all members of staff to fully appreciate the roles and responsibilities of their colleagues within safeguarding.

Many of our courses can be delivered in a whole school inset day, or divided into a number of twilight sessions (usually 2 or 3 x 2 hour sessions respectively). Please see individual course information on which courses can be delivered in School. Please note that to ensure there is full participation of all delegates there must be a minimum of 8 and a maximum of 35 delegates on whole school training. To arrange whole school training please telephone/email the Safeguarding Administrator, Jackie Butters. (Contact details below.)

Where whole school training takes place, the school is expected to:

- Provide a room that is of a suitable size for the number of delegates attending (room ideally to be set out in cabaret style).
- Provide a laptop and projector (with an extension lead and table) – if this isn’t available please advise at time of booking.
- Produce course material handouts for all staff attending, which will be sent electronically to the school ahead of the training. (All handouts to be given to trainer on arrival – not distributed in advance.)
- Complete the booking form detailing all attendees.
- Provide light refreshments.
- Provide a flip chart stand, paper and pens.
- Provide a screen / projection surface.

A cancellation charge of 50% of the course fee will be made in the event of a place being booked and not taken up, unless we are notified of the cancellation at least 28 days before the start of the course.

Bespoke Training

The Schools and Education Safeguarding training team also offer schools the option to commission a bespoke training package for Basic Awareness, Introduction to Safeguarding training and DSL Update training. This means that these courses can be tailored to address your school's individual needs and requirements in addition to the core content. Bespoke training can offer:

- a more comprehensive training package which is tailored to reflect your school's own policies, procedures, reporting and recording systems.
- a targeted training package aimed at addressing issues or challenges, which are specific to your school or setting.

Additional charges will be made for all additional preparation and delivery time spent developing/ delivering the bespoke courses. Additional costs will be charged to the nearest 15 mins at a rate of £60.08 per hour.

For further information or to apply for any of the training courses detailed in this Training Programme, please contact the Schools and Education Safeguarding Administrator:

Jackie Butters - Schools and Education Safeguarding Training Administrator on 0115 87 61121 or by email to safeguardingineducation@nottinghamcity.gov.uk

Safer Recruitment in Education Training
(SRE1)

Aim:

This workshop outlines good practice guidance and legal requirements that Schools and educational settings should adhere to when recruiting and selecting staff, including volunteers, to work with children and young people.

Please note: It is essential that participants attend the whole of this event as there is a requirement that delegates are assessed at the end of the course. Participants who leave early will have to attend the whole of the session again. Refunds will not be issued and the full fee payable will be incurred a second time.

Objectives:

- Understand how safer recruitment fits within the wider context of safeguarding and promoting the welfare of children and young people
- Understand the importance of planning a robust recruitment procedure.
- Understand the importance of making the right decisions, using structured interviews, as well as pre-employment checks.
- Understand the importance of ongoing awareness and vigilance.

Target Audience:

Any staff member or governor who is involved in recruitment and selection processes within their school/college.

NCSCB recommend that all staff update this training every 5 years.

Maximum Number of Participants: 25

Designated Safeguarding Lead Parts 1 & 2

Part 1 - Roles and Responsibilities (DSL1)

This course is aimed at new DSLs and forms the first stage of a 2 part programme; focusing on the specific roles, responsibilities and duties of DSLs in schools.

Participants need to complete both Part 1 and Part 2.

Participants who have already completed this course should refresh their training every 2 years by attending an appropriate DSL Update course. (see DSL Update on page 11 for further information).

Aim:

To enable delegates to become familiar with the roles and responsibilities of the Designated Safeguarding Lead and to develop competence and confidence in carrying out this role.

Objectives:

By the end of the course participants will:

- Understand the key legislation and guidance that informs their role and relates to their responsibilities as DSL.

- Understand their responsibilities and duties with regard to partnership working with other agencies and leading safeguarding practice within the school.

- Understand the correct procedures to follow in relation to record keeping, information sharing and working in partnership to keep children and young people safe.

Target Audience:

This is the first part of the course for Designated Safeguarding Lead with responsibility for Child Protection. DSL Part 2 must also be completed.

Course Pre-requisite: delegates must hold a current certificate for the Introduction to Safeguarding training (see above).

Maximum Number of Participants: 30

Designated Safeguarding Lead Parts 1 & 2

Part 2 – Managing Safeguarding in Schools (DSL2)

This course is aimed at new DSLs and forms the second stage of a 2 part programme; focusing on the day to day operational activities of the DSL.

Participants should not attend this course until they have completed Part 1: DSL - Roles and Responsibilities.

Participants who have already completed DSL training in the past should refresh their training every 2 years by attending an appropriate DSL Update course (see DSL Update on page 11 for further information), or by regular certified attendance at the DSL Network Forum which is by invitation.

Aim:

To provide delegates with the practical knowledge and skills to carry out their safeguarding and child protection duties safely and effectively.

Objectives:

By the end of the course participants will:

• Be able to confidently assess children’s needs and identify how unmet needs can be supported or addressed.
• Understand the different types of support available for children and appropriately identify the level of support required.
• Know how to access support and make effective multi-agency and child protection referrals.
• Have developed their knowledge and understanding of a variety of safeguarding and child protection tools and be able to use them effectively.
• Be able to confidently share and record information and know how to implement effective case management systems.

Target Audience:

This is the second stage of the course for Designated Safeguarding Lead with responsibility for Child Protection.
