You might consider requesting support for example if you have a new or recently appointed DSL, for advice on processes and record keeping or a deep dive into a particular area of safeguarding practice. Each individual request for support should be complete by [filling in the Request for Support form](#) and once complete sent to the *Schools and Education Safeguarding Coordinator* claire.maclean@nottinghamcity.gov.uk, who leads the team, and will considered each request and allocate the appropriate ADSL to begin planning further the task that is requested.
